Reference: Year End Report (7/1/99-12/31/99)

Dear Mr. Young:

This letter is in response to your requests for additional information, dated 4/11/00 and 5/4/00 and received by the Committee to Elect McHugh on July 13, 2000. No correspondence from the FEC has been received prior to July 13, 2000.

I have reviewed 11 CFR §104.3(b)(4) that you cited and can find no specific requirement that Committees identify original vendors on their FEC reports when payments are made to credit card companies. However, in the spirit of full disclosure, and as a courtesy to the Federal Election Commission, the Committee to Elect McHugh does itemize all original vendors from credit card disbursements when those payments have exceeded \$200 in a calendar year.

I have reviewed all Schedule B disbursements and believe the Committee to be in full compliance with the regulations. Therefore, no amendment is required.

Should you have any further questions, please contact me at any time.

Sincerely,

Cary R. Brick  
Treasurer
